

STRATEGIC PLAN CONSULTATION

Ni sa bula vinaka, Namaste and Greetings.

Over the coming weeks, I look forward to holding Town Hall meetings with staff and students at FNU campuses across the country.

These meetings will provide valuable opportunities to discuss and feed into the University's new 5-year Strategic Plan, which is due to be adopted by FNU Council before the middle of the year, and to hear first-hand from students and staff about their experiences at FNU and their hopes for the future.

I look forward to meeting you later this month. Please refer our schedule below.
