**CTE Survey Is
Now Available on
MOODLE**

Your Feedback is Valued & Anonymous

(you can openly submit the form with your opinion and views on the course without any reservations because all personal information about you will not be captured or revealed)

Each survey form will take approximately 5-10 minutes to complete.

Your valuable feedback helps:

- you to get the opportunity to voice your concerns regarding the courses you are enrolled in and how they were delivered by your teachers
- to provide teaching feedback to the lecturer / instructor concerning your learning experiences in this course
- your lecturer / instructor improve his or her teaching, not only in this course but in other courses too
- your lecturer / instructor to improve course content and teaching practices
- the University to find out how well you are learning what your lecturer / instructor is teaching
- the University to identify to what degree you are accomplishing the learning outcomes for the course(s) you are taking
- the University assess how resources are allocated to yield the greatest benefit to you as students
- the University to ascertain the quality of consultation taking place during consultation hours
- the University to identify how well Labs / Practicals / Workshops / Clinical Attachments or Community Visits are incorporated into teaching practices
