The Fiji National University has approved the new Strategic Plan 2021- 2026 and we are now starting the process of implementation. We are interested to know from our students what are the Top 5 Values that FNU must embrace moving forward. Values are principles or standards of behaviour that are important to guide a person or an organisation.

The survey can be accessed on the link <https://forms.gle/xrPAXS1Ld9RERY25A>

This quick survey asks you to choose your Top 5 FNU values from a list of suggestions. The survey contains 2 questions and takes less than 5 minutes to complete. All responses to this survey are anonymous and confidential.

*The survey will close on Friday, 28th May, 2021 at 4:00pm.*
