- You must work with your Higher Education Institutions directly to obtain the required documents for the application prior to the application closing date. Where visits to the campuses are restricted as a COVID-19 containment measure, the same can be obtained via email and attached to the application. This includes any endorsements required on TSLs forms. For example, for change in program, major, minor or institution, where provisional approval from your institution is required in the application form you can obtain the provisional approval from the institution via email and attach the same with your application.

8. You must ensure that the bank account number/M-Paisa number submitted to TSLs is active and registered under your name. TSLs will not take any responsibility/liability for inactive/closed accounts or lost e-ticket cards etc. Any changes to the account details must be communicated to TSLs in writing using Form TSLs 04 (B).
9. Accommodation and meals allowances for Quarter 4, 2021 will only be approved and paid in case the COVID-19 restrictions remain in place if (Subject to the application of the Zoning policy):
  - a. The classes are conducted face to face. For online classes, you must stay home and attend to the same (subject to (b) and (c) below);
  - b. You were approved for accommodation and meals allowances for Quarter 3, 2021 and are unable to move back to your home due to COVID-19 restrictions in place. E.g., Suspension of Shipping services; and
  - c. The nature of your program is such that you must stay on campus to complete the academic requirements, E.g., Clinical hours for medical students.
10. All TSLs sponsored students under TELS must obtain prior written approval from TSLs using Form TSLs 04 (B) before moving into any hostel/rented facility for Quarter 4 of 2021. This is also applicable to students TSLs who were approved for accommodation and meals allowances by TSLs for Quarter 3, 2021.
11. TSLs Sponsored students under TELS are to take note of the following requirements in relation to the submission of the Rent Agreement (subject to (9) above for Quarter 4 of 2021):
  - a. In case you are relocating to another rented property, changing from hostel to rent or rent to hostel, then it is compulsory for you to submit a new rent agreement or hostel letter.
  - b. In case you are planning to continue renting at the same property in Quarter 4 of 2021 as you were renting in Quarter 3 of 2021 then you must submit a letter from the landlord confirming this together with the proper receipts for the rent paid for the period August to September of 2021 from the rent allowances disbursed by TSLs for Quarter 3 of 2021.
12. The maximum amount payable by TSLs for accommodation (either for rent or hostel) is \$250/month or \$62.50 /week. As such you must look for and secure accommodation within this range for the same to be fully paid by TSLs. For instance, if you are a Quarter-based student, planning to stay in hostel and the quarter is for 8 weeks, the maximum amount payable by TSLs for hostel fees is \$500.00. In case you decide to stay in a hostel facility or rent premises that charges more than \$500.00 for Quarter 4, you will have to pay for the difference privately. As such we strongly advise you to look into your financial means to pay before moving to any accommodation facility that charges more than \$62.50 per week on average.
13. Bus fare allowance for Quarter 4, 2021 will only be paid if the classes are conducted on a face-to-face basis. For courses/units which will be conducted 100% online, no bus fare allowances will be paid. In cases the courses are conducted on a blended mode (e.g. 50% online and 50% face to face), then bus fare allowances will be calculated and paid on a pro-rata basis for the face-to-face component less any balance from previous academic term paid by TSLs.
14. It is important to note that classes for face-to-face mode for Quarter 2 and 3 of 2021 was suspended following the announcement of a new COVID-19 case on 19<sup>th</sup> April 2021. What this means is that bus fare allowances paid for the period after 19 April 2021 will be deemed as savings and this balance will be rolled over by TSLs for calculation of bus fare allowances for Quarter 4, 2021.
15. Allowances for Quarter 4 of 2021 will only be paid after receipt of the enrolment reports from HEI's. It is in your best interest to enrol early.

16. All allowances will be disbursed in 2 or more batches.
